

BAR GIRLS 1 - 1 (AS)

RACHEL

You know, maybe I should be going now.

LORETTA

Really? Why? I mean you are free to go. You are not my prisoner or anything - yet!

RACHEL

Ooh, don't scare me.

LORETTA

C'mon, I'm having fun. Why don't you stay a little while

RACHEL

I don't know. It doesn't look like you've got much furniture to divide.

LORETTA

No, but I've got lots of stuff.

RACHEL

Yeah, you sure do. So what do you do to acquire all this stuff?

LORETTA

I have a job.

RACHEL

No shit!

LORETTA

I work for a cartoon series on cable.

RACHEL

Really? I love cartoons. What's the name of it?

LORETTA

You've never heard of it.

BAR GIRLS 1 - 2

RACHEL

Well I might have. What's it called?

LORETTA

Heavy Myrtle.

RACHEL

No, I never heard of it.

LORETTA

Told ya! Do you want to see my bedroom?

RACHEL

Oh, nice segue!

LORETTA

Did you like that?

RACHEL

Yeah.

LORETTA

So,... do you want to see my bedroom?

RACHEL

Pretty eager!

LORETTA

Rachel, if I wanted to seduce you, I would have kissed you by now. Or at least I would have looked deeply into your eyes... I just like to lie on my bed with my friends. it's more intimate. You're really safe you know, cause I'm actually seeing someone right now.

RACHEL

Oh. That's cool. Cause I'm married.

LORETTA

Oh really?

BAR GIRLS 1 - 3

RACHEL

To a man.

LORETTA

Oh, that's a bummer.

RACHEL

What do you care? You're involved with someone anyway, aren't you?

LORETTA

Well yeah, I am. Actually, so is she, but I think it's with somebody else. Or herself. I'm not quite sure.

RACHEL

Actually, I'm not very married right now. I am seeing a woman that I like way too much.

LORETTA

What's too much?

RACHEL

At all. So, let's see your bedroom.
