Her gaze wanders to the tabloid newspaper on her desk. The headline screams, "VAMPIRE STALKS CITY - Slain Student Drained of Blood". She's still disturbed by last night's occurrence.

The door opens and a hardcore goth, COREEN FENNEL, 19, enters.

VICKY (CONT'D)

Can I help you?

COREEN

The papers say you were there last night. You saw it happen.

VICKY

What?

COREEN

Ian's murder.

VICKY

Look, if you're some kinda graveyard groupie...

COREEN

My name's Coreen Fennel. Ian was my boyfriend.

VICKY

What?

COREEN

He was coming to see me last night.

VICKY

Damn. I mean, I'm sorry. What can I do for you?

COREEN

The police won't believe what happened to Ian. I need somebody who will.

VICKY

And what happened to him would be...

COREEN

Ian was killed by a walker of the night... a Wampir... Vampire.

VICKY

Girl, you've been reading too much Ann Rice.

COREEN

They're real!

COREEN (CONT'D)

Out there walking the night. Trying to slake their unquenchable thirst... Feeding on us the way we feed on cows or chickens.

VICKY

Chickens? Yeah, look, I don't want to waste your time. You'd do better looking up the Scooby Doo team.

As Vicky starts to escort her to the door--

COREEN

I can pay you!

Off Vicky's doubtful look--

COREEN (CONT'D)

Daddy keeps me flush in guilt money. He ran off with his assistant when I was in high school.

VICKY

Was she pretty?

COREEN

He. And yes he was. They opened a law practice in the Bahamas together.

VICKY

I guess you can't take anything for granted, huh?

COREEN

Ms. Nelson, it wasn't a human that killed Ian. You were there. You must know that.

END

Vicky doesn't say anything, but we see she her reaction.
