Babette

Who's that?

Lorelei

God, Babette, you scared me.

Babette

It's my voice. It scares the hell out of people. I don't know what to do about it.

Lorelei

Well, you could start out not hiding out in people's houses and leaping out at them when they come home

Babette

It's the nodules.

Lorelei

Who?

Babette

It's the nodules on my vocal cords. The more I strain my voice the more they grow. Its nature's way of getting me to talk softer.

Lorelei

Nature one, Babette notta.

Babette

I betcha wondering why I'm here

Lorelei

Its not that I'm not happy to see ya but..

Babette

I'm not a sleepwalker...

Lorelei

No

Babette

In case that was what you were thinking

Lorelei

No no

Babette

Of course lot of people figure me for one, god knows why, I guess I got the look

Lorelei

Yeah, but you didn't sleep walk though

Babette

No, but I came over here wide awake because I heard Paul Anka do that yodeling noise that you said he makes when has hungry, so I fed him

Lorelei

Oh thank you.

Babette

Yeah I gave him ½ cup of that kibble you said he likes but then he gave me a look as if I stole something from him so I gave him a whole cup.

Lorelei

I know that look, it can be intimidating

Babette

And since our washing machine is broken, Maury put his boots in it and broke it; I thought I do a load of my intimates

Lorelei

Good for you

Babette

You know you don't have any messages

Lorelei

What?

Babette

He didn't call

Lorelei

Who?

Babette

I heard about the fight between you and Luke

Lorelei

You did?

Babette

Yeah, you know Adrian Burtonbergs daughter Becky? She's got a huge mouth

Lorelei

Becky isn't a gossip

Babette

Yeah but she has a huge mouth. And she and Eileen White were behind Dorsey's market seeing how many devil dogs she could stuff in there and when she got up to four it completely cut off her oxygen, so Eileen went running over to

Luke's to see if she could get some help and then she saw the two of you in the street screaming at each other

Lorelei

Well I'm glad she had the presence of mind to listen into our argument while her friend was choking to death

Babette

Don't you worry about a thing honey, everything will be fine. Every couple needs a good blow out once in a while. It keeps you on your toes.

Lorelei

Oh yeah well.

Babette

So did you spend the night at Sukis again?

Lorelei

Sukis?

Babette

Yeah I figured you were there, but Maury and I did a power walk this morning, and went by her and Jacksons place, but we didn't see your jeep there.

Lorelei

Babette, I really have to get going

Babette

I'm just waiting for my panties to dry. (pause). I'll pick them up later, but could you do me a favor, and put them in a delicate spin situation 30 minutes with a bounce dryer sheet, and don't worry sweetheart, he'll call. They always do.
