STERN

Laura

I heard.

Dorothy

No kidding. I looked over and saw the shadow to two curious shoes in the doorway.

Laura

Dorothy, this guy would go home with a gardening tool right now if it showed interest.

Dorothy

Thanks.

Laura

Don't use those, use the frosted glasses.

Dorothy

Thank you.

Laura

You're Welcome. I warmed up some of the chicken with Salsa.

Dorothy

Ohh, that's the girl I love.

Laura

I'm not going to say anything, I'm just going to say this. You have always been very responsible with Ray,

Dorothy

Don't start with me.

Laura

I don't think it's right for him to wake up and hear some strange man's voice in the house. Some drunken strange man.

Dorothy

Oh, as opposed to 10 angry women?

Laura

I'm not going to say anything else, just one more thing. You don't have the luxury of falling for some drowning man, be practical.

Dorothy

Practical?

Laura

Change your top. Which one, high turtle neck sensible, or v-neck sexy. Turtleneck, turtleneck - turtleneck - come on.

Dorothy

Don't tell me to be practical. Do you know what other women my age are doing right now? They're out partying in clubs and they're trying to get a man, trying to keep a man. Not me Laura, I'm trying to raise a man.

(BEAT)

Give me the V-neck. I've got a 24-hour a day reminder of Roger for the rest of my life. I've had 3 lovers in my life, in 4 years.

Laura

That's not bad.

Dorothy

And all of them, ran a distant second to a good book and a warm bath. Look at me Laura, I'm the oldest 26 year old in the world. How do I look?

Laura

Good.

Dorothy

Yeah? Thanks.

(BEAT)

I just want to say one thing. You do listen to me.

Laura

Well, I love you, I have to.
