

My Best Friend's Wedding 1 - 1

JULIANNE

So the honeymoon is where exactly?

KIM

Well, it depends. If San Antonio sweeps Sacramento, we can start there. Or Phoenix, or depending on the Indiana - Cleveland game...

JULIANNE

Garden spots. Ah. A swing of maybe 40 degrees fahrenheit represents a packing challenge, but there's fine food and cocktails, and a choice of Embassy suites.

KIM

It's his career. I'm supportive. Look, I've been everywhere. I want to be with the man I love. That's what makes it a honeymoon.

JULIANNE

I'm just saying he's lucky. It takes one woman in a billion to put up with his array of shit. The guy's a one man festival of idiosyncrasies. You've been introduced to the symphonic range...

KIM

Of his snoring? Yeah. You know that snarffle one?

JULIANNE

Yeah?

KIM

Now it's kind of got this phlegm rattling thing happening behind it. Guess what? Ear plugs work.

My Best Friend's Wedding 1 - 2

JULIANNE

Oh, what about...

KIM

Cigars in bed? I broke him of that habit. But the bathroom's a swamp, he wears Reboks to dinner, he likes action movies, he reads over my shoulder. He likes Karioke Bars for god's sake! And I can't carry a tune.

JULIANNE

Really.

KIM

He sucks soup through his front teeth!

JULIANNE

That's a trademark move. Don't touch that one.

KIM

But he sure can kiss.

JULIANNE

You know, it's been awhile. I'm just going to take your word on that.

KIM

After two weeks of cataloguing all his faults, I made a command decision that changed my life.

(stops elevator)

I threw the list away. He's not a balance sheet. He's Michael. And loving him means loving all of him.

My Best Friend's Wedding 1 - 3

JULIANNE

Do you get nervous in small confined spaces?

KIM

So it's sweet of you to want to be protective, but nothing ever could, ever did give me one moments pause about this marriage.

JULIANNE

Do you become hysterical in small confined...

KIM

Except one. You. You'll always be there in his mind. This perfect creature that he loved for all those years.

JULIANNE

Well, perfection can get wearing after awhile.

KIM

I'm not kidding. I had to face up to all of my competitive drives. And believe me, I've got 'em.

JULIANNE

No.

KIM

And after all, what, am I going to be jealous of you all my life? Our paths will keep on crossing.

JULIANNE

Of course.

My Best Friend's Wedding 1 - 4

KIM

We'll always talk about you.

JULIANNE

It's only natural

KIM

And the answer was so simple.

JULIANNE

I was going to predict that.

KIM

You win.

JULIANNE

(beat) I've missed a step.

KIM

He's got you on a pedestal. And me
in his arms.
