

INT. APARTMENT - NIGHT

The door opens and in walks SARA and KYLE. Sara is smiling and Kyle looks a little nervous.

SARA

Thank you so much for walking me up.

(pause)

I had a really nice time tonight.

Kyle gives a nervous laugh.

KYLE

Yeah me too.

(pause)

Well, have a good night.

He reaches his hand out to shake hers. She looks down then back up and starts to move forward to kiss him. He backs away from her. She stops.

SARA

Is everything okay?

KYLE

Yeah sorry, I just have to go.

SARA

But I thought you said you had a nice time.

KYLE

I did. I just...

SARA

Well then what's the problem. I had a good time, you did. Lets take it up a notch.

Kyle gives almost a nerdy type laugh.

KYLE

I don't think that's such a good idea.

SARA

Is there something wrong with me?

Kyle looks down.

SARA

Well, is there!?

Kyle can't look up. After a long pause he can't take it anymore.

KYLE

Onions! Okay? It was the onions.

She laughs.

SARA

You won't kiss me cause I had onions at dinner? I can go brush my teeth if it's that big of a deal to you.

KYLE

No, see. I am deathly allergic to onions. I shouldn't have even been around them tonight. One false move and I could go into shock and die.

Sara calms down a bit.

SARA

Oh, well why didn't you say anything?

KYLE

I tried.

SARA

Wow, okay. I won't eat onions around you.

KYLE

See, you don't get it. I need to be with someone that doesn't eat onions at all. I can't take the chance that one day you forget and then come up to kiss me and I keel over and die. It's too risky.

SARA

I really can't believe we are having this conversation right now.

KYLE

I know, I'm sorry. It's just not going to work out between us. You are a nice girl and I am sure that you will find someone soon.

SARA

Are you giving me the pre-breakup?

(CONTINUED)

KYLE  
The what?

SARA  
You know, the break up before the  
break up? The break up before it  
even gets started?

Kyle thinks about it.

KYLE  
I guess so.

SARA  
I'm usually the one that does that.

KYLE  
Is that okay?

Sara thinks about it.

SARA  
Not really. I have never been  
rejected before. So I am going to  
give you the pre-pre-breakup.

KYLE  
What's that?

SARA  
It's where we pretend this date  
never happened and I pretend that I  
rejected your advances. Now please  
leave so I can forget you ever  
existed.

He reaches his hand out again. She looks down, shakes her  
head.

SARA  
Not going to work.

He walks out the door and she shuts it still shaking her head  
as we...

FADE TO BLACK.
