

THE ACCUSED 2 - 1

KATHERINE

Sara. I'd like to talk to you

SARA

We've got nothing to talk about.

KATHERINE

Yes, we do.

SARA

Get out of here! Who the hell do you think you are?

KATHERINE

I have to talk to you.

SARA

Get out of my house.

KATHERINE

Will you listen to me, please? Sara, I made a mistake. Before I agreed to the deal I should have offered you the choice of going to trial and testifying. I can offer that to you now. I've found a way for you to go into court and testify that you were raped.

SARA

Case over.

KATHERINE

The rape case, sure.

SARA

Well you made sure of that, didn't you?

KATHERINE

I want to prosecute the others. The ones who cheered and clapped. The ones who made it happen.

SARA

Why? So you can make another deal?

THE ACCUSED 2 - 2

KATHERINE

No. I'm not going to make any more deals. If I prosecute the others the rapists will stay in jail for the full five years and the rape will go on record. The deal won't matter because the rape will go on record.

SARA

You really want to do that?

KATHERINE

Only if you help me. I need you to testify.

SARA

I get to tell my story?

KATHERINE

Yes.

SARA

Okay, but no deals. No deals!
