SALLY

Otis!! Otis, come! Oh fuck! Someone left the goddamn gate open. Otis got out. Skye and I, well the... I came out of the house and the fucking gate was wide open.

JOE

Oh for fuck's sake. Nobody uses that gate.

MONICA

I'm sorry.

SALLY

There's a goddamn sign on the gate.

MONICA

I'm so sorry.

SALLY

You fucking cow, can't you read?!

MONICA

I...

SALLY

How long ago was it?

JOE

Stop being such a bitch, Sal.

MONICA

I'm so sorry.

JOE

It was a mistake. This isn't a plot to do in Otis.

SALLY

Don't be so sure.

JOE

Listen to yourself... Don't worry Monica, it's alright. We'll find him. What's wrong with you?

SALLY

She left the fucking gate open.

JOE

Well he can't have gone far.

SALLY

Can't have gone far? He's like a greyhound. He could be miles away.

JOE

He'll find his way back.

SALLY

There are fucking coyotes out there.

JOE

Sally, calm down. We're not going to find him any quicker by you being hysterical. Don't worry about it Monica, I'll look with Sally.... We'll see you back at the house.....
