

BODIES, REST & MOTION 3-1 (GL)

HE

We're passionate, we're comfortable, we're . . .

SHE

It's been passionate! It's been comfortable! But it hasn't been important. Like you're making it.

HE

It is important. You know that.

SHE

It was a night! It was fun. It was some great sex, but it's just something that happened.

HE

It's not just something that happened. We're it. I'm the one for you.

SHE

The one?

HE

Yeah.

SHE

I'm twenty-fucking-eight years old! I've had lots of "ones". You're just the latest.

HE

No. I'm the last. You've found me, and it can go on forever.

SHE

No. No it can't. Trevor, you've got to understand it's just talk.

HE

It's not.

BODIES REST AND MOTION 3-2

SHE

It is! It is. I mean, come on, these things you say. Come on. Like, that if I die you couldn't stand life?

HE

It's true.

SHE

No! You won't know when I die! You won't be there!

HE

I'd be there if you'd want me there. If I wasn't there, it wouldn't matter who was. You'd be alone.

SHE

No.

HE

Beth. Beth? You love me.

SHE

No.

HE

How do you feel? Think. You love me.

SHE

I care about you.

HE

You have to be with me.

BODIES REST & MOTION 3 - 3

SHE

No. I care about you, but I'm an adult. I can say no.

HE

That's what makes you an adult?

SHE

Yes! I can say no! "No" I won't do that. "No" I won't have that. "No" I can't.

HE

You can say no to me?

SHE

Yes. I'm going.

HE

Beth. Do you have someplace to go.

SHE

I don't.

HE

Why don't you

SHE

Don't tell me what to do.

HE

What are you going to do?

SHE

I don't know.
