EXT. MIDDLETON HIGH SCHOOL - DAY

16.

BONNIE ROCKWALLER

1/3

KIM

~~Run, you're my brother from another mother, but if you video our first day of school for one more second, there's gonna be HECK to pay.~~

RON

~~(talking into the phone)
That's Kim Possible, everyone!
She's just joking around, we're both a little sleepy after SAVING THE WORLD LAST NIGHT.~~

KIM

~~I don't know if we saved THE WORLD. But still, a win is a win...~~

Just then, she sees someone through the crowd.

KIM (CONT'D)

...!ck.

The crowd parts, and we see who Kim sees. BONNIE ROCKWALLER, a sophomore, dressed somewhere between Kendall Jenner and a 45 year old lifestyle Brand Barn. She wears GIANT sunglasses.

The world itself seems to go silent. The two girls stare at each other. The screen SPLITS. We see close ups on both of their eyes as they narrow. Nobody moves.

They face each other. Beat. A TUMBLEWEED blows into frame. Followed quickly by a NERDY KID who trips it up.

NERDY KID

~~My summer biology project on desert biomes. That was a close one!~~

~~He says so.~~ Kim takes a deep breath, and smiles, in an attempt to get the year off on the right foot.

KIM

Hi, Bonnie. Did you have a good sum

Bonnie removes her sunglasses, and looks at Kim as if she's just realized who she was.

BONNIE

KIM is that YOU? OMG WELCOME TO HIGH SCHOOL!

At this point, Bonnie's persona CHANGES, and she turns into a bright, shiny, beaming beacon of goodwill to all within a 10 mile radius. She is also thoroughly FULL OF IT. She throws her arms around Kim in a HUGE, OVERDRAMATIC BEAR HUG.

BONNIE (CONT'D)

It does my heart good to know you're out there, making the world safe for ALL OF US! And now here you are! A freshman! Why, it makes ME wish I could be a lowly Freshman ALL OVER again! Almost!

2/5

Hi ~~Bonnie~~ ~~did you have a good~~
Hi, Bonnie. Missed you last year.

missed you last year
SUMMER

BONNIE

And I you, Kimmy! It's a cruel trick of fate that I'm a year older than you, and that you had to suffer through your last year of Middle School without me!

KIM

The cruellest.

the ~~cruellest~~ cruelist!

BONNIE

But please, think of me as your sophomore big sister, and come to me with any and all of your Freshman problems! Which you will ASSUREDLY have! Ta!

Bonnie MARCHES into the school. Not wanting her to have the last word, Kim follows her, with Ron documenting all of it.

INT. HIGH SCHOOL (MAIN HALLWAY) - CONTINUOUS

RON

(whispers to phone)
That's Bonnie, her and Kim have hated each other for LONGER THAN THEY'VE BEEN ALIVE.

BONNIE

(looks over her shoulder at Ron, laughs)
I think it's adorable you still pal around with Ron, Kimmy! It's so charitable of you, considering how poorly regarded he is by LITERALLY EVERYONE. Not ME of course...

KIM

First of all, leave my friend alone, BONNIE.

They leave. Kim's confused. Bonnie's grossly sympathetic.

BONNIE

Kimberlee, as practically your BEST FRIEND, it's my DUTY to tell you. All of that running around, saving the world stuff? Which I think is AMAZING?

RON

She's right, it is pretty cool.

What no

BONNIE

You're in High School, now. People have REAL things to worry about. And, I mean, I care about you, DEEPLY, but TBH, nobody else cares.

For the first time, we see the faintest glimmer of defeat in Kim's eyes. Bonnie's work here is done.

BONNIE (CONT'D)

Well, I'm SO glad we had this talk! And like I said, ANY questions you have, I am HERE FOR YOU. I CARE.

Kim snaps out of her brief moment of feeling down.

KIM

Here's a question: What time are cheerleader tryouts this afternoon?

BONNIE

(seemingly confused)

Cheer... Leader? Oh! Oh, my precious! I'll Kimber-la-la-land! You really ARE new here! I personally helped the school pass out the cheer signed last year. It's just SOOOOO 2002. Like, you REALLY want to be a cheerleader? Tell you what, I'll help your paper, and let you know when that's back in style!

KIM

So... What do you...

Bonnie takes a whistle out of her pocket, and BLOWS IT! From seemingly nowhere, a SOCCER BALL whizzes at her from off screen. She head-butts it at Kim.

BONNIE

THINK FAST!

Kim CATCHES IT.

BONNIE (CONT'D)

This is a soccer town now, Kim
deararden. Try-outs are after
school. And remember, you can't use
your hands.

Kim drops the ball.

BONNIE (CONT'D)

Ta-ta, dears!

Bonnie blows them both a kiss, turns on her heels, and walks
off. Kim's watch BEEPS.

WADE (ON WATCH)

What up, my dears?

KIM

Made it quick, Wade, we're almost
late for homework.

WADE

Remember to tell you something
about that. Anyway, I don't know if
you heard, but Shago sprung Drakken
from the joint last night.

KIM

What a coincidence! Us being as far
away from the prison as possible
last night, and all. Weird!

KIM

Putting pieces together:
Dr... The Pop-Pop thing was a total
distraction. Drakken must have put
him up to it. He must have
something bigger in mind. We'll
look into it over the weekend.

(beat)

Wade, what did you want to tell us
about homework?

THE BELL RINGS.

WADE

You're ACTUALLY late for homework.

KIM

UGH UGH UGH! Okay, follow me, Kim,
I memorized the way.
