

CONCEALED TRUTH

KELLY

Can't you ever tell the truth?

RENE

What do you mean?

KELLY

Its a simple question.

RENE

I don't know what your getting at.

KELLY

I've been sitting here for the last fifteen minutes listening to you tell me lie after lie after lie. Its pathetic.

RENE

Why would I lie to you?

KELLY

I don't know you tell me?

RENE

I have never lied to you. Not once.

KELLY

There you go again. Look I'm tired of it, and I don't think I can put up with it anymore.

CONCEALED TRUTH

RENE

No the truth is, is that you don't ever listen. You have programmed yourself so well not to pay attention, that you believe everything I ever say is a lie. You don't even have a clue what the truth is.

KELLY

There you go again, another lie.

RENE

Look there is something definitely wrong here. What is it?

KELLY

Its your lies.

RENE

Bullshit

KELLY

Fine. You can believe what you want. But the problem is right in front of your face and you choose to ignore it, that's your prerogative.

RENE

I can't deal with you anymore. You've changed so much in the last month I don't know if I am coming or going anymore. I give up, I just give up. I think is best I just leave.

KELLY

No! That's not what I want. I want.....

RENE

What?

CONCEALED TRUTH

KELLY

I want you to listen for once.

RENE

I always listen to you

KELLY

No. Listen to yourself for once. All I want is for you to listen to yourself, then you will know how I feel.

RENE

Listening to myself will make me know how you feel?

KELLY

Yes.
