

THE CREEPY  
DOLL

INT. BEDROOM - NIGHT

Kira and Ally sit in the bed staring forward at a large creepy-looking porcelain doll that sits on a chair facing them. Kira has the blanket pulled up to her neck in fear.

ALLY

Why would your Dad give you such a creepy-looking doll?

KIRA

He said it was a rare find, one of a kind, whatever that means.

ALLY

Why didn't you just tell him 'no thanks, I'm too old for dolls'?

KIRA

I don't know. He was really excited for me to have it. I didn't want to hurt his feelings.

(gasps)

I think it moved.

ALLY

Really? Do you think it's alive?

KIRA

Don't say that.

ALLY

What if it's possessed by an evil spirit or something?

KIRA

Will you stop it!

ALLY

Calm down. It's just a doll, Kira... creepy, but just a doll.

KIRA

Well, I'm not willing to take that chance. We need to put him somewhere else, or I'll never get to sleep.

ALLY

Put him in the closet.

KIRA.

You do it.

(CONTINUED)

KIRA  
I broke him. What am I going to  
tell my Dad?

ALLY  
Just tell him it was an accident.  
I'm sure he will understand.

KIRA  
Maybe I can glue his head back  
together.

KIRA.  
Wait, now you want to save him? I  
don't know, Kira. I think you're  
better off leaving him the way he  
is.

Ally scoops up the pieces of the doll and puts it in the  
closet.

ALLY  
Let's go back to bed. We'll figure  
something out in the morning.

Both girls return to bed and slip under the covers. Kira  
frowns.

KIRA  
My Dad is going to be so mad at me.

ALLY  
Your Dad, how do you think the doll  
feels.

(beat)  
Uh oh. Do you think he'll come back  
to life and seek revenge on you?

KIRA.  
Shut up!

Ally laughs.

ALLY  
I'm sorry. Don't worry. I'll help  
explain the whole thing to your dad  
tomorrow. Let's get some sleep.

Ally gets under the covers and closes her eyes. Kira tries,  
but can't stop staring at the closet door.

FADE OUT.
