

... they are... they jog.

EMILY
So how are things with you and Drue?

JACLYN
We broke up.

EMILY
What? How come? I thought you two where getting serious.

JACLYN
We were, but then it just wasn't working out.

EMILY
How so?

JACLYN
He wanted too much out of the relationship. I'm not ready to settle down and have kids and he just doesn't understand that.

EMILY
I'm sorry Jaclyn; I had no idea you were having to deal with so much.

JACLYN
Don't worry about it; it's done and over now.

EMILY
Was he okay with the break up?

JACLYN
I think so, he was surprised, but we are still friends.

EMILY
So is that the only reason you broke up with him, is because he wanted to have

kids right away? I didn't think that that was a big priority for him.

JACLYN

Well I don't know if I would call it a priority, but he seemed a lot closer than I am.

EMILY

Who are you kidding, you're still stuck on Shawn aren't you?

Jaclyn stops jogging and so does Emily. Jaclyn looks at Emily and then looks away.

JACLYN

I can't stop thinking about him. How am I supposed to have a relationship with someone when all I can do is think about someone else?

EMILY

I don't know, if all you were doing was thinking about Shawn, then I think you did the right thing by breaking up with Drue.

The [redacted] [redacted] down
forth [redacted].

EMILY

So where are you and Shawn right now?

JACLYN

We're not really sure. He doesn't think he's ready for a serious relationship, he says he wants to date other people...I think he's ready, but doesn't want to admit it. So I am just being patient and waiting to see if he changes his mind.

EMILY

Well, I know that you think the world of Shawn, but sooner or later if he doesn't change, you are going to have to let him go and move on.

JACLYN

I know, I know. I have been waiting and waiting, hoping that he would come around, but he is just too stubborn and unsure of what he is feeling right now. I don't know what to do.

EMILY

Well I'll tell you what to do. Give him an ultimatum. Tell him now or never. He needs to make up his mind, if he wants to keep a relationship with you, then he is going to have to change, and if he doesn't, then he needs to let you know so that you can move on.

Jaclyn looks around.

JACLYN

Yeah, I guess that's the best thing to do right now.

EMILY

Don't worry, it will turn out ok.

JACLYN

I know, and thanks for your support, I really appreciate it.

EMILY

No problem, it's my pleasure, now lets finish our run.

They both stand up and start running down the path again.
