

Marco gets up, grabs his suit jacket and hurries out.

START

INT. LUIGI'S PIZZA RESTAURANT - NIGHT

Collin and Emily sit across from one another at a small table sharing a pizza. They appear comfortable in one another's company as they laugh and smile over old stories.

EMILY

Oh my gosh remember that time you fell asleep in biology class and started snoring. I thought the teacher was going to get so mad at you but instead he used you for an experiment!

COLLIN

That Mr. Atwood. He's pretty dedicated. You know he's dating my mom?

EMILY

Get out! For real?

COLLIN

Yeah. He was over for dinner the other week. I don't get what my mom sees in him. I mean my dad, he was so, full of life you know. I guess I should just be happy she's found someone.

EMILY

What about you? Have you found anyone?

COLLIN

I have actually. Sophia. In fact, we're engaged.

EMILY

Wow, that's...that's really great Collin. I'm happy for you.

And we see she genuinely is.

INT. WENDY'S CAR - NIGHT

Meanwhile, Wendy tries to drive at the same time she frantically scrolls down Collin's phone contacts until she finds Sophia's number.

EXT. LUIGI'S PIZZA RESTAURANT - NIGHT

Outside the restaurant Emily and Collin are both unaware that Sophia has pulled up in her car. She climbs out and obliviously walks up to the restaurant.

INT. LUIGI'S PIZZA RESTAURANT - NIGHT

Emily becomes more serious as she smiles at Collin and tells him sincerely...

COLLIN

What about you? Have you found anyone?

Emily replies with a smile...

EMILY

I'm not sure. I mean there is this one guy. He comes into the shop a lot to buy flowers for his mom. It's sweet. He asked me out the other day. We're having coffee.

COLLIN

Well I hope it works out.

EMILY

Me too.

(beat)

You know Collin, I hope this Sophia's good to you. Because you deserve the best.

COLLIN

Thanks.

Collin places his hand over Emily's.

COLLIN (CONT'D)

So do you.

END

EXT. LUIGI'S PIZZA RESTAURANT - NIGHT

Somewhere inside Sophia's purse her cell phone rings. Sophia digs inside her purse sees Collin's name on the screen, smiles and answers it.

SOPHIA

Hey handsome.
