

**Casey**

Hi.

**Lauren**

Hi.

**Casey**

I thought we'd just order in,  
you want some wine?

**Lauren**

Sure.

**Casey**

Are you okay?

**Lauren**

No. We need to talk.

**Casey**

Ouch, the ugliest words in  
the English language.

**Lauren**

Just let me talk before I lose my  
my nerve... I'm crazy about you  
and the funny thing is I don't know  
if it's love, infatuation, or the fact  
that it's taboo and that makes it  
more thrilling... but the fact of the  
matter is I don't think I'm the type  
of person who can do this.

**Casey**

What does that mean?

**Lauren**

It means that it takes a stronger  
person to buck society. I don't

## It's a Girl Thing 1-2

think I can take the judgement,  
the whispering... I mean I feel  
like some sniper is going to  
shoot me for being a lesbian,  
which again I am not. I feel  
weak and spineless and I don't  
like it.

### **Casey**

I'm glad you feel that you can  
tell me what you're thinking...  
you're right about this, it happened  
so fast and so intensely that I think  
we overlooked all of its ramifications.

### **Lauren**

The bizarre thing is that so much  
of this is great and then there's the  
other part... besides the sniper part...  
it's like having two interior monologues...  
one with you and one with myself  
and I can barely handle the one with  
myself. It's enough to send you off  
the deep end... and I'm not comfortable  
with it... and I don't think it's fair to  
you.

### **Casey**

I could go on seeing you, for me  
things are easier, they always have  
been and the truth is I don't think  
I'd be gay forever... maybe there's  
a comfort in that, I don't know.

### **Lauren**

Okay, can I be petty for a minute?

**It's A Girl Thing 1-3**

**Casey**

Absolutely.

**Lauren**

So if I hadn't had this moral  
melt down, you would have  
eventually broken up with me?  
Is that what you're saying?

**Casey**

That's not what I said. What  
I said was that this is easier for  
me. I guess I don't question  
things like you do.

**Lauren**

Oh my God. This isn't the first  
time for you, is it?

**Casey**

No, I've slept with women before.

**Lauren**

How many?

**Casey**

Three, if you count Mary Ellen  
Patrick at boarding school.

**Lauren**

Oh that's just great. So now my  
fantasy of being the one and only  
is in the crapper too, it figures.

**Casey**

You're the only one I ever really  
cared about.

**It's A Girl Thing 1-4**

**Lauren**

Now you sound just like a guy.  
Don't patronize me.

**Casey**

I'm not and that's a cheap shot, I  
meant it.

**Lauren**

You're right, see? I've become  
a complete bitch... See how  
ridiculous I'm being? I'm being  
possessive and I don't even have  
the balls to be gay.

**Casey**

You're scared... you're human.

**Lauren**

I'm a human nut case... Jesus,  
why are you so abnormally  
normal?

**Casey**

I'm just the proverbial free  
spirit I guess.

**Lauren**

Yeah, and I'm a big loser.

**Casey**

No, you're an adventurer...  
you kissed a girl.

**Lauren**

I did didn't I? I'm sorry, I wish I  
were a different kind of person.

## It's A Girl Thing 1-5

**Casey**

I don't, I just wish we could see  
where this would have taken us...  
I'm crazy about you... not a thing I  
like to admit either....Are you sure  
we can't try?

**Lauren**

Don't tempt me... it's better this way  
before my heart is completely broken....  
I'd just fall apart sooner or later again,  
we both know that.

**Casey**

Then what do you say... friends?

**Lauren**

Yeah, friends.

**Casey**

I'm so glad I met you.

**Lauren**

I'm glad I met you too. Let me  
ask you something... can friends  
sleep together every once in a while?

**Casey**

Absolutely.
