

SELBY

Hi. So you came.

AILEEN

Yeah, I was around, you know, so I thought I'd swing by... So where's your friends?

SELBY

Well, I'm not too sure where they... You're mean.

AILEEN

No, man. Shit, I'm here too, you know?

SELBY

Can I ask you a question?

AILEEN

Yeah.

SELBY

Are you a prostitute?

AILEEN

Yeah. Why man?

SELBY

I don't know. People like, pay to be with you. That's wild. Men must just line up to be with a girl like you.

AILEEN

Well, I guess. I don't know. No, not really, no.

SELBY

Yeah right. What do you do to them?

AILEEN

All kinds of things, you know, whatever they want.

SELBY

How do you know what they want?

AILEEN

Well they ain't shy to tell you.

SELBY

Really?

AILEEN

Shit, men are really easy to read anyway.

SELBY

Well how about that guy?

AILEEN

Finger up his ass, probably likes it when you hit him at the same time.

SELBY

Ewww! How 'bout him?

AILEEN

Oh he's gay.

SELBY

No way!

AILEEN

Yeah man, look at him, he tries too hard. Oh man, you see that little fucker over there? Well he... he's straight up S and M.

SELBY

That's Trevor. That's the son of the people I'm staying with.

AILEEN

Shit, I'm sorry.

SELBY

I don't care about that. It's just, I didn't realize he was gonna be here and...

AILEEN

So what's Ohio like?

SELBY

It sucks. This girl in my church, she told everyone that I tried to kiss her so my parents basically disowned me and I decided to come down here to try and figure some things out. Then this happened before I could get a job.

She shows her the cast on her arm.

SELBY (CONT'D)

So... that's that.

AILEEN

How long does it have to stay on?

SELBY

Not too much longer. But my dad had to pay my medical bills. So I made a deal with him that I would go back. Which, you know, would probably be for the best, 'cause maybe it'll work. Maybe, yeah, he'll be able to save my soul and all that.

AILEEN

Well I bet you twenty that I'd beat your ass in a race right now.

SELBY

Oh no.

AILEEN

Oh yeah, me and you are gonna hit the floor right now.

SELBY

No, no, I'm serious, I can't skate.

AILEEN

Come on!
