AILEEN

I quit.

SELBY

What?

AILEEN

What are your bags doin' here?

SELBY

I'm stayin'.

AILEEN

Holy shit girl, you just made my day! How'd you get them, huh?

SELBY

I took a cab. But Lee, you can take care of me right? 'Cause I, I spent all our money.

AILEEN

Shit, you know what? It don't even matter.

SELBY

Wait, what'd you say? You quit?

AILEEN

Hookin'. I quit hookin'.

SELBY

Why?

AILEEN

Why? 'Cause I should. It's time man, I fuckin' hate it.

SELBY

I thought you said it wasn't that bad.

AILEEN

Well it is, you know. But not always. It's not the point, Sel. I got you now. I got everything goin' for me. So I'm gonna do it up royal. This time, I'm gonna do it up royal. How 'bout that?

SELBY

Alright, but... what're you gonna do about work?

AILEEN

Exactly. I'll get a job. Go clean. Straighten up, man, you know? Fuck it, man, I'll get a career! House, car, the whole fuckin' shebang, ya know? How 'bout that?

SELBY

What kind of job are you gonna get?

AILEEN

I've been thinkin' about that. I was thinkin' like, maybe a veterinarian, ya know? 'Cause I fuckin' love animals, ya know?

SELBY

Yeah... Um, but that's a doctor. You gotta get a degree for that.

AILEEN

Whatever, man, ya know? Maybe a business person, ya know? Something like that. Shit, I know. You know what I always wanted to be?

SELBY

What?

AILEEN

President of the United States!

SELBY

Well, alright Mrs. President.

AILEEN

Don't touch me... I just haven't been feelin' too good lately, ya know? But I will though, man. I'm gonna be feelin' great. Once I'm president and all ya know? Shit, this is fuckin' celebration time. Oh yeah, this is, this is big.
