INT. - HOSPITAL CORRIDOR - DAY

Becky is approached by a male nurse with clip board..

Nurse

Mrs. loft?

Becky

Hi. I'm looking for my husband. He may have been hit by a car. He was out jogging near our house.

Nurse

Where do you live?

Becky

Old Mountain Road. Can we do this part another time, I sort of . . .

Nurse

I just need to be sure it's him. Tall? Dark hair?

Becky

Yeah.

Nurse

Blue running suit?

Becky

Yes - - what happened, cause you're starting to scare me?

Nurse

The doctor will be right out.

Becky

No. You tell me. What happened?

Nurse
Your husband was hit very hard.

Becky
Yeah?

Nurse
He didn't make it.

Becky
He didn't make it?

Nurse
No.

Becky
What do you mean he didn't make it?
What does that mean? Are you telling me
he's dead? Is that what you are telling me?

Nurse
Yes

Becky
Oh God! Oh God!
