

# Rachel Getting Married (OS)

Mother

You should really call dad, you know.

Daughter

Yeah, I will. In a minute.

Mother

You know how he worries.

Daughter

I will, yeah.

Mother

He's worried.

Daughter

I need a glass of water.

Mother

I made tea. Come, sit down, you look so upset.

Daughter

Yeah. Is Andrew going to be home soon?

Mother

Yeah, he just went to a dinner, not late.  
(BEAT)  
Did something happen with you and Rachel? Is everything alright with the wedding?

Daughter

Yeah.

Mother

It is? Okay.

Daughter

(BEAT)

Why did you leave me in charge of him?

(BEAT)

You knew. All of you knew.

Mother

Kym.

Daughter

People told you.

Mother

Kym...

Daughter

I was a junkie. I was a crazy drug addict.

(BEAT)

I stole from you...

Mother

Yes..

Daughter

I lied to your face. I weighed six pounds,  
my hair was falling out, I spent every  
dinner in the bathroom.

Mother

Honey, you were sick.

Daughter

You know what I was. I stayed in my  
room for days –

Mother

Kym...

Daughter

I passed out all the time.

Mother

No, no, no.

Daughter

What were you thinking?

Mother

No.

Daughter

Why did you leave me?

Mother

I wasn't there, I didn't leave you.

Daughter

Why would you leave me in charge of him?

Mother

Because you were good with him.

Daughter

Mom... Mom, why would you leave...

Mother

No, you were good..

Daughter

A drug addict to watch your son?

Mother

No! you were good with him! You were the best you were with him!

Daughter

Mom, listen to me!

Mother

**Well I didn't expect for you to kill him, sweetheart.**

Daughter

Mom! Mom!

Mother

**You weren't supposed to kill him!**

Daughter

Mom! What are you doing, let go of me!

Mother

God!!

(Mother Slaps Daughter)

Daughter

(BEAT)

Fuck!

(Daughter slaps Mother)
