The Ranch 1/3

KIM

Every one of 'em writes " And I have to say, I'm pretty sure she enjoyed it as much as I did.", god bless 'em. If they only knew.

TAYLOR

Hey, can I get a bowl of soup with some poison please?

KIM

Rough day?

TAYLOR

Kind of, yeah. What're you up to?

KIM

Reading my "reviews".

TAYLOR

Oh. That brothel website?

KIM

yeah. Remember that guy last week I did the out-call with? The dermatologist from Princeton? He posted that I give good G.F.E.

TAYLOR

Girl Friend Experience. Look out, now the needy one'll be on you like heat-seeking missiles.

KIM

Probably so.

TAYLOR

Hey, could you do me a favor? Between us.

KIM

Sure.

The Ranch 2/3

TAYLOR

This is just, you know, for play. Help me type a resume.

KIM

Oh, come on. First Shayna, now you?

TAYLOR

I'm not going anywhere. It's just to see. Hypothetically. What else I might be qualified for.

KIM

You leave here, I'll hunt you down and kill you.

TAYLOR

I'll keep that in mind. And don't say anything to David.

KIM

Okay. (beat) I've never done one of these. I guess you put down your education first. Did you go to college at all?

TAYLOR

Fuck me, I didn't even finish high school.

KIM

Then let's skip that part. What do you think would be your best qualifications? Professionally speaking.

TAYLOR

I give excellent head.

KIM

Huh... skilled at oral presentations.

The Ranch 3/3

TAYLOR

I like that. How about... exceptional manual dexterity.

KIM

Keen negotiator?

TAYLOR

Works well in group situations...

KIM

... leaving out the words "orgy room".

TAYLOR

Thank you very much.

KIM

Flexible. Stimulating.

TAYLOR

You're good. Could "sixty-nine" be considered multi-tasking?

KIM

I don't see why not.
