

SINGLE WHITE FEMALE (RB) 1 - 1

HETTIE

Allie? What are you doing down there? Are you okay? You look terrible.

ALLIE

Oh I, I just suddenly felt sick. It was the strangest thing. I hope I'm not pregnant.

HETTIE

Here, let me help you.

ALLIE

I'm fine. I'm fine.

HETTIE

Are you okay?

ALLIE

Yeah.

HETTIE

I'll get you some water. Come on, drink some. Okay? Feel better?

ALLIE

Yeah. Ah.... I'm gonna go out for a while. I'm feeling much better now.

HETTIE

I thought you said breakfast was ready.

ALLIE

Ah... it's in the blender. I gotta go.

HETTIE

Dressed like that?

SINGLE WHITE FEMALE 1 - 2

ALLIE

Oh. Well, I'm just gonna go upstairs and see Graham. He called while you were out.

HETTIE

Well, still, if you're not feeling well you should wear more than that.

ALLIE

Maybe you're right. I'll go and put something else on.

HETTIE

Um, leave the door open so we can talk. You know why I think you're sick? You're upset about Sam. Hmm? That's right isn't it? You know Sam's dead, don't you? Yep, we don't have much time.

ALLIE

You didn't do it Hettie? Did you? You couldn't have. Oh my God. You did. Why? Why?

HETTIE

Allie, he came in my mouth and then he tried to beat the shit out of me because I wanted to tell you. Now it was an accident but he deserved it. Okay. Come on. The police will be here soon.

ALLIE

But you shouldn't run. It will only make it worse. I know you weren't yourself when you did this thing.

SINGLE WHITE FEMALE 1 - 3

HETTIE

I know. I was you. Who is this Hettie anyway? Hmm? No-one's seen her. She's not on the lease. There's not even a fingerprint of hers here. I've been cleaning like crazy. You have to come with me Allie or they'll put you away.

ALLIE

Hettie it will never work. Besides people have seen you. Look, just calm down. We'll call a lawyer who will tell a doctor and they'll explain it to the police or something.

HETTIE

No! (produces gun) Why are you making me do this? We're friends Allie, and you could be in a lot of trouble without me. But I'm not gonna leave you. That wouldn't be right. Don't worry, I won't leave you. Okay, let's go. Come on, get up! Get up!
