JACKIE

Oh, finally! How do you hold down a job? It's 8:10. You were supposed to be here at 7:00. Now Annabelle's missed her sunrise Groom 'n Ride.

RACHEL

This is Friday, her riding lesson is on Tuesdays. See? I got it right here on this Post-It-Note.

JACKIE

Every Tuesday except the 3rd Tuesday of the month when it's switched to Friday except in April when she rides on Thursday. It's not that hard. Didn't you have a mother?

RACHEL

Can I please have a cup of coffee?

JACKIE

We don't have any coffee.

RACHEL

What is this? The Betty Ford Center?

JACKIE

How is Annabelle's video report?

RACHEL

I have no idea. She's not talking to me now.

JACKIE

What happened with Annabelle? Has nothing I said gotten through to you?

RACHEL

Maybe you could back off just a little bit --

JACKIE

What did you do?

RACHEL

Nothing. Look, I want to talk to you about...well...Luke said to ask you. See, the place where I can connect with Annabelle is my photography, because she loves video and all...

JACKIE

And...?

RACHEL

Well, she's been talking about this little editing machine, it's only...

JACKIE

A ridiculously expensive and inappropriate item, which her father and I have already told her she is far too young to own. But you apparently want to buy her forgiveness, with...

RACHEL

Forgiveness? For what, exactly?

JACKIE

How much time have you got? Let's start with this morning. Why did she run from this room?

RACHEL

(PAUSE) Luke was in the shower this morning and Annabelle sort of waiked in without knocking.

JACKIE

I'm sure that didn't upset her. Everyone in our family takes showers.

RACHEL

I was in there with him.

JACKIE

Did you or Luke talk to her about it afterwards?

RACHEL

No. I thought it might be uncomfortable for her --

JACKIE

You mean for you. A 10-year-old girl is coping with the fact that her father is never coming back to live with his family. She sees her father naked with another woman for the first time, and you think it's best for her if everyone pretends it didn't happen? This isn't going to work out.

RACHEL

You're damn right. I'm getting sick of your imperious bullshit. I never said I was Betty Fucking Crocker. If every time life hits her in the face you want to have a 12 hour talk every third Friday or the month -- go ahead! I have a life!

JACKIE

Oh and I don't because I have a children? The problem is you're too self-involved to ever be a mother.

RACHEL

Maybe the problem is your kids. Maybe they're spoiled, coddled brats!

JACKIE

Get out!

RACHEL

But it's not on the schedule! See? The Post-It-Note!

JACKIE

You got to hell!

RACHEL

Ah Ah Ah! You said a bad word. You owe me a quarter!
