

THE WAYWARD WIND (m) 1

CHRIS

I want you to do me a favour while I'm away.

LEAH

You're going to be gone three months. How big a favour is this? I hope it isn't a three month job.

CHRIS

It is. I want you to keep an eye on Keith for me. I want you to make sure he doesn't cheat on me.

LEAH

Let's get something straight. Keith is my best friend. You are his girlfriend. And that is the order of my priorities.

CHRIS

But we're friends too.

LEAH

Yes, we're friends. But, for the one millionth time, Keith isn't going to cheat on you. He's not that kind of man.

CHRIS

Actually, I'm afraid for myself. I hope I don't cheat on him.

LEAH

I thought there wasn't time for anything while you're on the road.

CHRIS

There's time. And lots of wealthy men who want to take a woman to dinner and dessert. And a certain man who is coming along this summer.

LEAH

If you want me to approve, I don't. When you have a man like Keith, what more could you want?

THE WAYWARD WIND 2

CHRIS

If there's going to be cheating this summer, maybe I can beat him to it. But I know I can control myself if you're keeping an eye on Keith.

LEAH

Chris, I'm not even going to be around for the summer. The minute you get on the plane, I'm gone.

CHRIS

You're leaving town?

LEAH

No. I'm leaving Keith. At least while you're gone.

CHRIS

You can't do that to him. You're his best friend. He can't survive with both of us gone.

LEAH

He can and he will.

CHRIS

You don't like the position I'm putting you in.

LEAH

You're not putting me in any position. I don't let anyone put me "in a position". I'm simply not going to be around and I'm doing it for me.

CHRIS

You still love him, don't you?

LEAH

of course I do.

CHRIS

But I trust you. You're my friend. I know you aren't going to do anything you shouldn't.

THE WAYWARD WIND 3

LEAH

Then you are not only a dumb idiot but a blind fool as well. I've been trying to get him away from you for months. And I've only sort of been on my good behaviour. Once you set foot in Canada, you're not safe from me.

CHRIS

Why would you do that to me?

LEAH

Because I love Keith. Because I want him. For once in my life I've found a man that I want. And since he is so obviously with the wrong person, I'm going to take him.

CHRIS

You can't do it Leah. You aren't the woman I am. You can't do for him what I do for him in the bedroom.

LEAH

I'm not only his best friend, but anything, and I mean anything you do in bed, I can do better.
