

WHITE PALACE 3 - 1

SUE

I'm terribly sorry, the door wasn't locked.

NORA

No. It's all right. I was just leaving. I was putting on some lipstick.

SUE

It's all right. Good colour your lipstick. And I love your sweater.

NORA

Thanks. Listen, I'll just leave you alone here. Sorry about the cigarette smoke.

SUE

It's all right, you can smoke here. Larry smokes like a chimney. So you live in St. Louis?

NORA

Yes.

SUE

You work in town?

NORA

Yeah, yeah I do.

SUE

What's your work?

NORA

I'm in food preparation.

SUE

Food preparation? That's interesting. You mean catering?

NORA

I'm a waitress.

SUE

Really. Where?

NORA

White Palace. It's a hamburger restaurant.

SUE

Oh.

WHITE PALACE 3 - 2

What do you do? NORA

I'm a decorator. SUE

Oh. NORA

I love the scent in here, don't you? Isn't it subtle? SUE

Oh, very subtle. NORA

So how did you meet Max? SUE

He came in for a burger. NORA

How romantic. You know, he's quite a catch, our Max. How did you ever do it? SUE

Give a good blow job I guess. NORA

I'll bet you do. SUE

I'll bet you don't. Look, I'm not Janey, okay. NORA

I don't know who you are, and I don't know where you came from. But you're a guest in this house and there was a Janey, but no-one is mad at you. Now we don't want to judge you and I don't think you should be so fast to judge other people's blow jobs, because what you see isn't always what you get. SUE
